

## Virtual Gymnastics Competition No.2 – Gymspire Academy

Congratulations to our gymnasts who entered the Gymspire Competition in July, this was a new competition online. Esme Taylor 11<sup>th</sup> Florence Hatfield 5<sup>th</sup> and young leader Izzy Hatfield claimed the Silver medal in the Gold Competition. Well done girls and great routines, you worked hard on them!

Working together  
for a safe return  
to gymnastics

## Gymnastics Reopening Planned from Wednesday the 9<sup>th</sup> September (subject to approval)

We have had the initial approval from Edwinstree School that we can return to gymnastics in September providing we adhere to the school, Government and Health & Safety rules. This means that numbers have drastically been reduced (12 per session) in order to enable as many of you back as possible we have added a 3rd session on a Wednesday and Friday. This still doesn't allow everyone back; we only have 72 places available to offer. We have been offering these to existing members only, starting with the oldest downwards. I am so sorry to have to do this, but rest assured as soon as I can increase my numbers again safely, I will be in touch with everyone not offered in the initial September return. For everyone offered a space I am currently working through all the risk assessments and British Gymnastics Guidance and will email out the protocols for our safe return before the classes start. Keep a check on your emails please.

## Trampolining

Trampolining at Freman is still on hold as the school are not allowing any external clubs back until at least the October half term when it will be reviewed again.

## Fees & Membership

I am currently in the process of moving our LoveAdmin system to London and Zurich. From September we will be moving to monthly fees, a set amount averaged out over the year and accounting for non sessions during the school holidays & bank holidays. This will be payable automatically every month for 12 months of the year and the same date in the month. (The system isn't clever enough to take out August when the big school holiday is). If a session is cancelled for some reason this will be adjusted on the next months payment.

These will be set up for the same date each month. You can arrange to pay on a set date if you wish.

All GoCardless accounts have now been cancelled.

Full details and setup will be emailed out as soon as possible. Please let me know if you have any queries.

Monthly Fees will be as follows:

Trampoline 1 hour £20

Gymnastics 1 hour £24

Trampoline + Gymnastics 2 hours £36

Gymnastics 2 hours £37

Trampoline + Gymnastics x2 3 hours £54

You are still covered with BG Membership and the renewal will not be due until October and must be paid by the end of November. Full details to follow.

Kind Regards *Andrea*
