

EDWINSTREE SCHOOL WEDNESDAY/FRIDAY CLASSES

Yet again, parents are using the car park!

The school have asked us to remind you again that **PARKING** is **NOT** permitted in the school car park. It is very narrow and children walk through the car park to get to the classes. Children should be walked into the gymnasium by a parent and not allowed to wander in by themselves. This is a child protection issue as the car park is small and gets very busy. **Rib Valley will not be held responsible, neither will the school if a child gets injured. We have repeatedly told you not to park in the car park!**

Please use the Scout Hut car park or the public car park *Thank you*

Competition Results

Huge congratulations to Michelle Castle who took the gold medal at the Adult British Championships in August in the novice trampoline competition. Keely Foulger also came a very respectable 5th place out of 15 in her category. Tiff Lamont also took the gold medal in the Over 30s intermediate category.

The women's trio which included our own coach Gabby came 6th in the Acro competition and performed two lovely balance and dynamic routines. We wish the girls trio good luck in their next competition in Portsmouth in November.

LoveAdmin

GO CARDLESS

Thank you for bearing with me on the new system set up. This will help enormously with my admin. As I currently spend hours on it! I am still learning the system, so if you have any queries please don't hesitate to get in touch.

Please can you all ensure you have signed up to the new set up which was sent by email with the sign-up links. This will set up a new GoCardless account for you which runs through LoveAdmin

With LoveAdmin members can pre-authorise future payments so each time money becomes due, it gets automatically collected from you (like our current system). If you don't pre-authorise you can make the payment yourself instead. Please note the system sends automatic reminders for payments that are overdue.

Badge Testing

It has been a very busy first half term in gymnastics sessions with badge testing. We gave out over 80 badges, I have lost count! Well done everyone.

As a reminder, trampoline badges

are continuously tested and gymnastics badges are tested every term. Trampoline badges can take over 6 months to achieve on the higher badges and are graded 1-15. Gymnastics badges start at badge 8-1 with 7/10 skills needed to pass. We aim for 8 or 9/10 minimum After 8-1 is achieved we work on the advanced badges Bronze, Silver, Gold in 6 different disciplines and the new POW scheme so plenty to work towards.

Tumbling Camp – Monday 28th October

We still have a few spaces left on our tumbling camp. Please get in touch asap to book your place.

Coaching Courses

Good luck to Gabby who is half way through her level 2 coaching course.

Important notice

Please note that if a member leaves during a term fees will not be refunded once paid. Membership also cannot be refunded after being paid to British Gymnastics. The only time fees will be refunded is because of injury or long-term sickness with a doctor's letter.

We will be holding an end of term Christmas session on the last week of term, fun and games at trampolining and a display at gymnastics. Watch this space.
